<http://localhost:46560/CIC/SIMS/Reports/PrintInvoice.aspx> in left corner and at right corner
Page 1 of 1.

For Internet Explorer and Mozilla Firefox

Step 1:- Go to the menu bar at the top of the browser, click **File*** (or the Print icon if displayed) and then click Page Setup. This will open a "Page Setup" screen similar to the following:

Page Setup

Paper Options

Page Size: Letter

☒ Portrait ☐ Landscape

☐ Print Background Colors and Images

☐ Enable Shrink-to-Fit

Margins (inches)

Left: 0.25

Right: 0.25

Top: 0.25

Bottom: 0.125

Headers and Footers

Header: Title

Footer: URL

-Empty-

-Empty-

Page # of total pages

Date in short format

Change Font

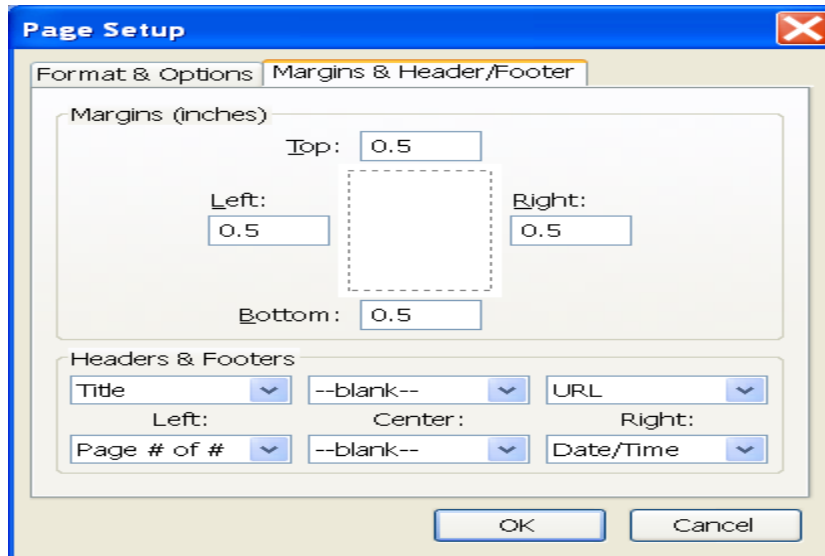

OK Cancel

Note: If you are unable to see file menu then

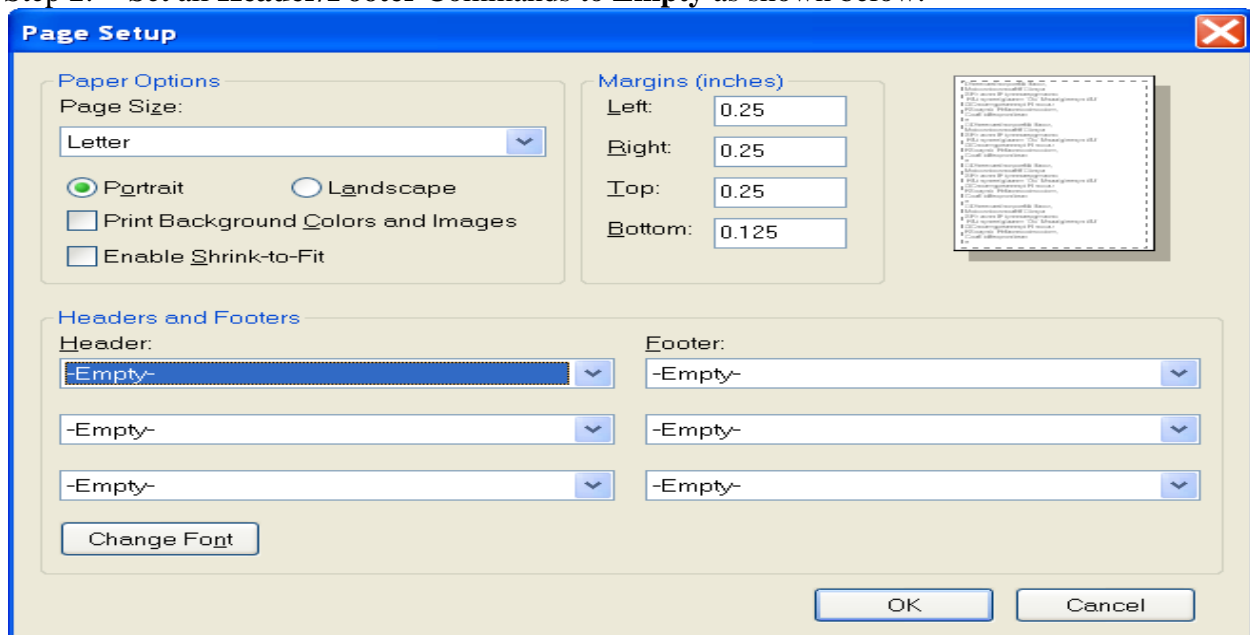

- ✓ Press **Alt+V** key
- ✓ Select **Toolbars**
- ✓ Check **Menu Bar**

to display menu and then follow the process from step 1.

For Older version of Firefox Click on **Margins & Header/Footer** and set setting.

Step 2:- Set all **Header/Footer** Commands to **Empty** as shown below.

For Chrome:

To adjust basic printer and page settings in Chrome, click the menu icon  (or wrench icon ) and then select **Print**, (or in press **Ctrl+P** Windows or **Command+P** in Mac) to display Chrome's Print screen (see settings in image below).
